THE HELPING OTHERS FOUNDATION PRESENTS

Skate@TheJoe April 10 2005

One afternoon. One world-class stadium. Three great causes.

PROCEEDS BENEFIT

THE
MARC SURIS
LEGACY FUND

Help put the *cheer* back into *Joe Louis Arena*.

Hockey season’s a no-show, and the Joe sits empty.

And regardless of when the Wings might return, for one

afternoon only, you’ll have the chance to intimately

experience the Joe like never before. Skate with family

and friends on its Stanley Cup ice, *retracing the steps of*

Yzerman or Shanahan from championships past... take a

break and *pose for photos in the penalty box*, on the same

bench that McCarty kept warm for so many short-handed

minutes... *join a specially-arranged behind-the-scenes tour*

of the Joe, discovering the amenities and comforts deserving

of a first class professional sports franchise... and finally,

stuff yourself at a bountiful food and drink buffet in the

Olympia Room, mingling with a community of friends

who share your passions and generosity.

Your generous donation will directly benefit three Detroit-area organizations:

Children’s Hospital of Michigan

Since 1886, the Children’s Hospital of Michigan has dedicated itself exclusively to child healthcare and today is the largest children’s healthcare facility in the state of Michigan. In addition to responding to immediate healthcare issues and concerns, the hospital’s research facility, Children’s Research Center of Michigan, draws upon its internationally-renowned staff of researchers and scientists to aggressively fight and develop cures for childhood diseases. For more information, visit www.chmkids.org.

The Grodman Cure Foundation (GCF)

During the past several years, GCF has committed \$200,000 to Children’s Hospital of Michigan for juvenile diabetes research.

The Marc Suris Legacy Fund (MSL)

A newly established fund, proceeds raised by MSL will assist a variety of Detroit-area charities, furthering the memory of Marc Suris, who died at age 39 from Hodgkin’s Disease.
