JERRYSOVERINSKY CREATIVE

Professional Assistance Bringing Words and Ideas to Life

Not enough time or resources to tackle all of your company's writing projects? Are you looking for a new approach or voice to communicate your marketing, advertising, or PR message? I can help.

Since 1987, I've been working with companies of all sizes, from small, local startups to Fortune Global 500 multinationals (IBM, Toyota, BP, Nike, CBS), helping them produce brochures, advertisements, press releases, annual reports, trade journal articles, web content, and training videos, to name just a few.

Contact me today at 773.896.7549 for a private consultation and to discover how I can help you achieve all of your writing and creative goals.

Sincerely,
